Illinois Department of Revenue List of Cigars

- ▶ The Department has provided the list to assist distributors in classifying their products. The list contains two parts. The first part identifies items the Department considers to be "cigarettes" under the expanded definition. The second part identifies products that the Department does NOT consider to be "cigarettes" under the expanded definition.
- ▶ The list is NOT all inclusive. It is provided to demonstrate the type of products that are now included in or excluded from the expanded definition of "cigarette."
- ▶ Distributors selling a product that is not listed should compare that product with the items on this list. If questions remain, distributors should either send a sample or detailed photographs of their product to the Department's Alcohol, Tobacco and Fuel Division, P.O. Box 19018, Springfield, IL 62794-9018, or call the Division at 217-782-6045.
